

DOCKET NO.: CA-0006
Application No.: 10/030,287
Office Action Dated: February 11, 2004

PATENT

Amendments to the Specification:

Please replace the specification (pages 1 to 10), including the abstract (page 15), with the attached substitute specification, including abstract (pages 1 to 11), submitted with this response and amendment under Tab A.

A marked-up version of the specification of record, showing all proposed revisions incorporated into the substitute specification, is attached under Tab B. No new matter has been added. Accordingly, the originally filed specification (pages 1 to 10, and 15) is replaced in its entirety.
